

13/04/14 (Sunday Surprise): Sudoku (Seek and Spell) by Craig Kasper Theme: Dalek Invasion

Rules: Standard Sudoku rules except that instead of the numbers 1-9 this puzzle uses the letters in "END MATRIX". Also, clues in the grid represent typical "Seek and Spell/Kanaore" clues; specifically, it must be possible to read each of the numbers listed below the grid by starting at the indicated letter, moving one cell in the direction indicated by the arrow, and then continuing to move one cell at a time up, down, left, or right to complete the word/phrase. No cell may be used more than once in a single path, but the same cell can appear in the paths of different words/phrases.
