13/08/23:
Tren by Serkan Yürekli
Theme: Railroad Crossing; "Tren" means train in Turkish
Rules: Locate some blocks in the grid, either $1 \times 2$ or $1 \times 3$ in size, with each block containing one of the given numbers. A block's number must indicate the total possible movement of the block along either direction in its long direction, where it is blocked only by an edge of the grid or another block.
