# Cave (Product) by Grant Fikes

## Theme: Not Quite Even

Variation of Cave rules. Every clue is the product of the # of visible cells in that row and the # of visible cells in that column, including the cell itself.

	6	4			6	6			5	
				6						4
A										
			2					4		
B						4				
C					4					
			8					12		
D										
	12						18			
		12			12	12			4	4
