

14/01/23:

Cave (Product) by Prasanna Seshadri

Theme: Logical

Variation of Cave rules. Every clue is the product of the # of visible cells in that row and the # of visible cells in that column, including the cell itself.

	7				7			8
			6					
A		9					3	
B						4		4
	6			4				
					7			3
C	4		4					
		2					5	
D						8		
	8			8				3
