# Tapa (Fill-In) by Prasanna Seshadri

Theme: IPC Message

(Originally on 2015 Indian Puzzle Championship)

Rules: Standard Tapa rules. Also, all of the empty cells will be filled by letters/numbers so that each word/number next to the puzzle appears once reading across or down in the grid and no other words are formed in the grid by adjacent letters. Words can cross, but they do not all need to be connected. Some letters (in red) are already given in the grid and will be part of one or more words in the grid.

Answer Entry: Same as regular Tapa.
