

15/12/24:

# Scrabble (Double Letter) by Murat Can Tonta

## Theme: Spelling Test

Instructions: Place each of the given words into the grid, one letter per cell, reading from left to right or top to bottom. All words must be connected, and no words other than the given words can appear in the grid. The borders between all adjacent cells that contain the same letter have been marked. Answer Entry: Enter all letters in the indicated rows from left to right, separating each row with a comma. Use CAPITAL LETTERS.
