17/05/10:

Nurikabe (No 5 in Line) by John Bulten Theme: 2×2 Welcome! (for Jamie Hargrove)

Rules: Variation of Nurikabe rules. The 2×2 shaded cell rule no longer applies. In its place, it is not allowed to have five consecutive black cells in any row or column.

A													
				7							3		3
В										2			
								2					
	4												
			2		1							5	
C							1						
		4							1		2		
													10
D						4							
				2									
	6		5							4
