

2018/12/28:  
 XV Sudoku by Ashish Kumar  
 Theme: Clue Symmetry and Logic

Rules: Classic Sudoku Rules. Also, whenever the numbers in two adjacent cells sum to exactly 10 / 5, an X / V is placed on the edge between cells reflecting the Roman numerals for 10 or 5. All adjacent cells not marked with an X or V cannot add up to 10 or 5.

						X		
X			X					
1		3		5		7		9
	2		4		6		8	
A				9				
		6				5		
B
