13/05/17:

Fillomino (Rectangles) by Grant Fikes

Theme: Clue Symmetry and Logic

Rules: Variation of standard Fillomino rules.

All polyominoes must be rectangles.

		1		6			
	3					2	
		9		3			
1						5	3
		1					
						3	
1		1					1
			1		3		
	5						4
		8			3		

13/05/19 (Sunday Surprise):
 Fillomino (Inequality Clues) by Hans van Stippent
 Theme: Diagonals

Rules: Variation of standard Fillomino rules. Some clues are not fully specified, and must simply follow the inequality value given in the cell.

	<7		4		8		<7
