13/07/09: LITS by Grant Fikes Theme: None?

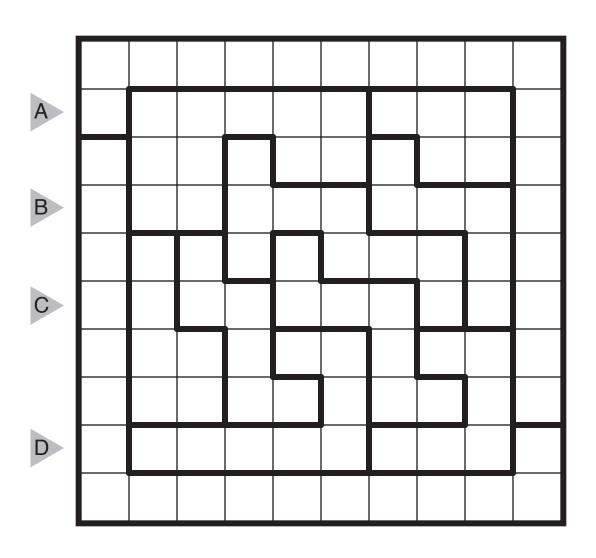

13/07/09: Double Back by Grant Fikes

Theme: None?

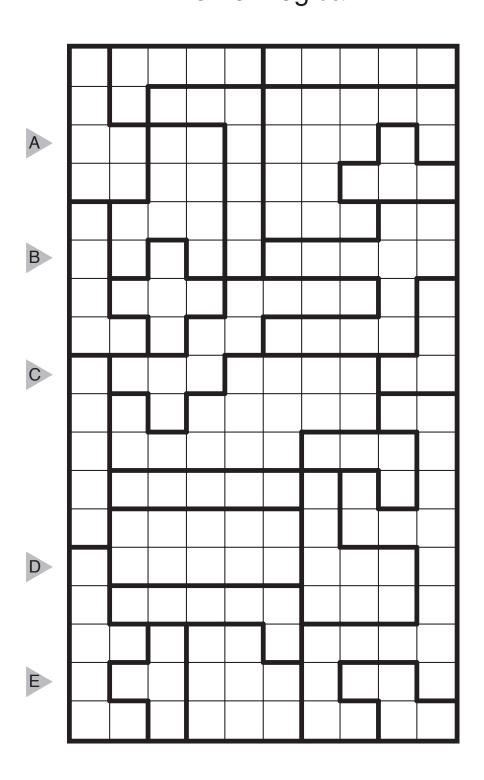

Rules: Standard Double Back rules (originally from MellowMelon). In short: draw a single loop that enters and exits every cell exactly once, and enters and exits every region exactly twice.

Cross the Streams (LITS) by Grant Fikes Theme: Logical

Theme: Logical
Rules: Standard Cross the Streams rules. Also, the shaded region must be able to be split into tetrominoes to form a valid LITS solution.

Fillomino (LITS) by Grant Fikes Theme: Clue Symmetry and Logic

Rules: Variation of standard Fillomino rules. All polyominoes of same size besides 4 cannot touch. But all tetrominoes — polyominoes of size 4 — must be connected as in a LITS puzzle. All "4" clues have been replaced by letters indicating which tetromino type they belong to.
