13/09/16: Masyu by Grant Fikes Theme: Logical

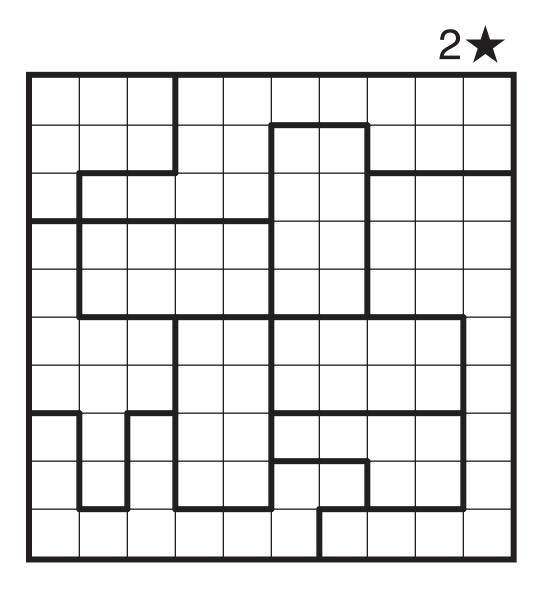

13/09/17: Pentominous by Grant Fikes Theme: Logical

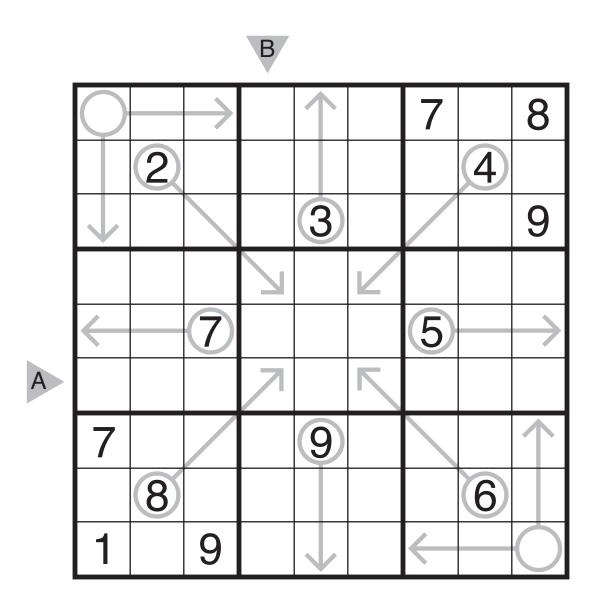

Rules: Divide this grid into 20 regions each containing 5 cells. Regions with the same shape (including rotations/reflections) cannot share an edge. A cell with a letter in it must be part of the pentomino shape normally associated with that letter; an inventoryof polyominoes is given below the puzzle but not all must be used.
