	3		1						

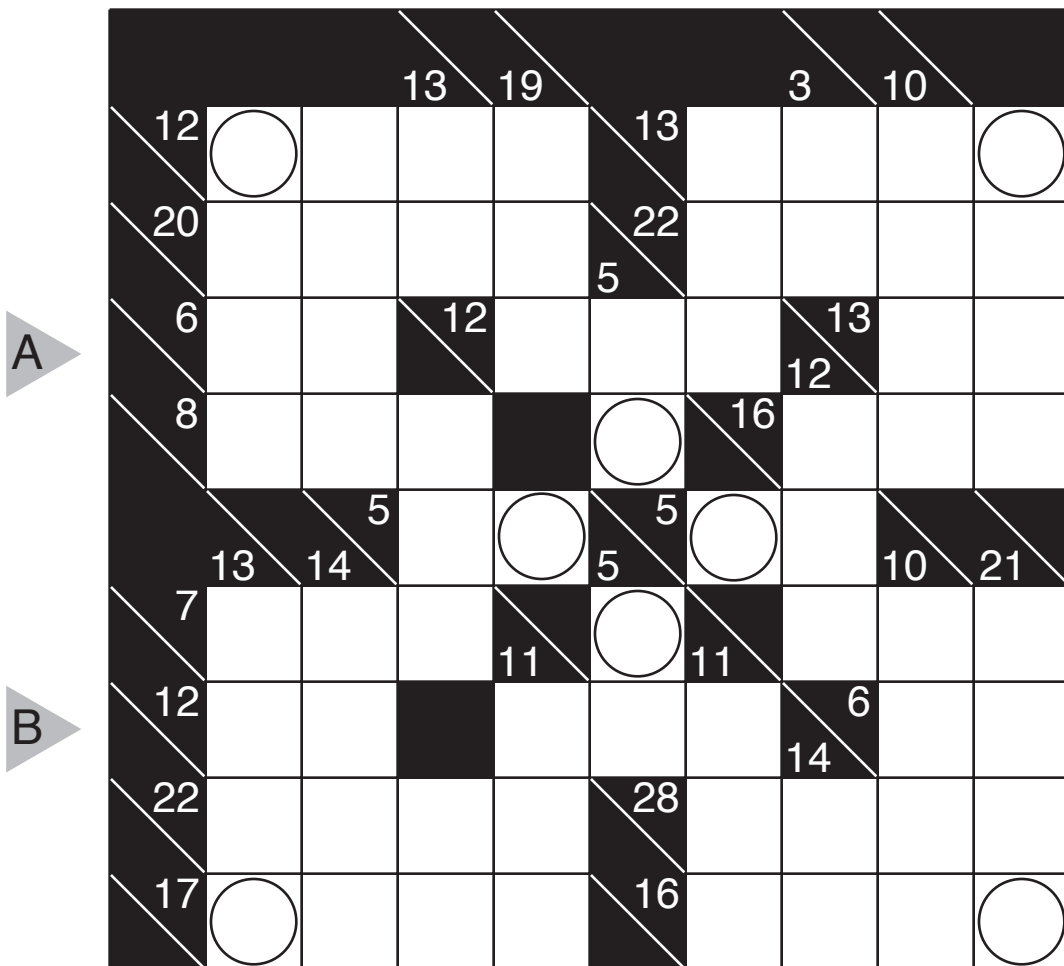

15/12/11:

Kakuro (Different Areas) by Prasanna Seshadri

Theme: Clue Symmetry and Logic

(originally prepared as practice for 2015 WPC)

Instructions: Standard Kakuro rules. Also, the digits in the circled cells must all be different.

15/12/12:

Hidden Shape Sudoku by John Bulten

Theme: Snakes on a Sudoku

Standard Sudoku rules. Also, there are some shapes that must be put into the grid. The shapes can be rotated, but cannot be reflected; they can touch but cannot overlap. (Not all cells of the shapes contain numbers, but all numbers on the shapes must be entered into the corresponding cells after placement.)
