2018/03/16:
Double LITS by John Bulten
Theme: Pi All Round

Rules: Same as LITS, except that each region must contain two shaded tetrominoes. These two tetrominoes within a region cannot touch each other, and can be the same or different shapes.

2018/03/17: Scrabble (PI) by Carl Worth Theme: Pi Filling

Rules: Place each of the given words into the grid, one letter per cell, reading from left to right or top to bottom. All words must be connected, and no words other than the given words can appear in the grid. **All occurrences of PI have already been entered into the grid (as the symbol π).**
