Yajilin (Regional) by Prasanna Seshadri
Theme: Big +, Small +

Rules: Variation of Yajilin. Blacken some white cells and then draw a single closed loop (without intersections or crossings) through all remaining white cells. Blackened cells cannot share an edge with each other. A number in a region indicates how many white cells must be blackened. Cells with number clues may be blackened.

2019/06/15:
Pentominous (Borders) by Grant Fikes
Theme: Logical

Rules: Variation of Pentominous rules. Some borders between pentominoes are already drawn.
