			1			3		
3	4			3	1			3 1
			1		9			2
4								2

*Catch-13*

# Fillomino (Checkered) by Jonas Gleim

Rules: Standard Fillomino rules.

Also, it must be possible to shade some polyominoes black so that no bordering polyominoes are the same color (in other words, the grid must allow a two-color shading).

			1
