(No time standards; GM > 2hr)

Assigning letter values from (A=0, B=1, ...) to the ? clues inside bold squares gives the message ADD NOW FILL, which refers back to the instructions and confirms the letter assignment method. Notice that there are also bold black lines crossing the middle sections that form a large central square also enclosing Quintessence clues between the grids.

Add and fill letters into this space.

The grid is a complex puzzle with numbers and letters. A large red square highlights a central area. The grid contains numbers like 70, 6, 2, 1, 4, 1, 5, 13, 2, 70, 6, 70, 3, 1, 7, 8, 7, 3, 1, 5, 3, 4, 9, 15, 3, 7, 3, 70, 4, 53, 3, 1, 4, 3, 4, S, 3, 1, 3, 1, 5, 7, 3, 2, 1, 1, 1, 5, 3, 5, 22, 4, 4, 6, 5, 3, 2, 5, 7, 0, 2, 4, 6, 2, 2, 7, 6, 3, 4, 6, 1, 0, L, 20, 3, 6, 3, 5, 2, 3, 7, 20, 13, 10, 3, 8, 70, 4, 4, 18, L, 1, 2, 2, 3, 6, 3, 1, 13, 1.

The completed square hides, in its two central rows and two central columns, the words BIBLIOTIC and CATECHISM and the fragments ANGEL and OLOGY which become ANGELOLOGY. These answer words derive from Greek names of the 4 gospels, mirroring the 4 types: Mark's euangelion (fire), Matthew's biblos (air), Luke's katechesis (water), and John's logos (earth).
