

Yajilin (Cipher) by Carl Worth

Rules: Standard Yajilin rules. Also, the letters A, E, H, L, O represent different digits from 0-9. Identify which letters stand for which digits and then solve the Yajilin.

											A↓
							H←				
	L↑		O↓		L↓						
										A←	
		H→					H↑				
			O→					E↓			
	L→										
							H←	E→	E→		
			A↑								
A→
