

SLITHERLINK AND VARIATIONS 2

- Ashish Kumar Slitherlink
- Grant Fikes Slitherlink
- Eric Fox Slitherlink
- Murat Can Tonta Slitherlink (Unequal Lengths)
- Michael Tang Slitherlink
- Thomas Snyder Slitherlink (Liar)

GRANDMASTER PUZZLES

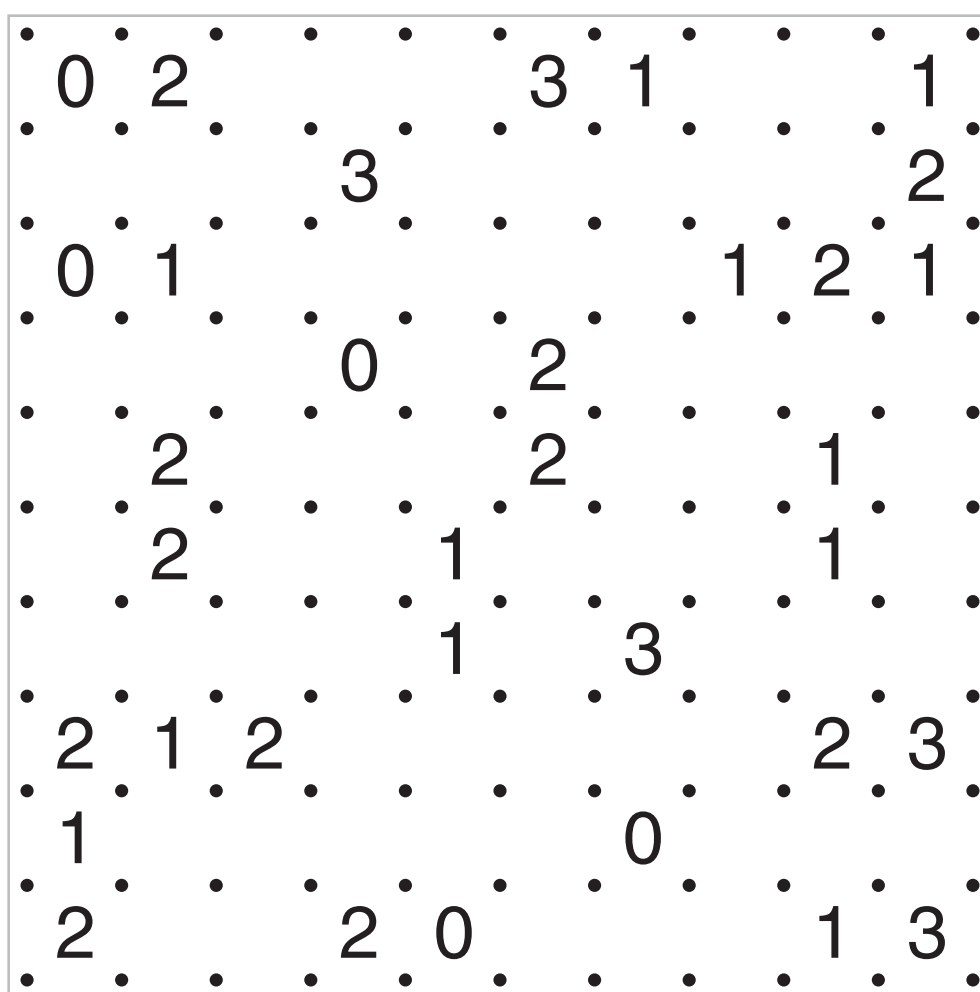

Slitherlink by Ashish Kumar

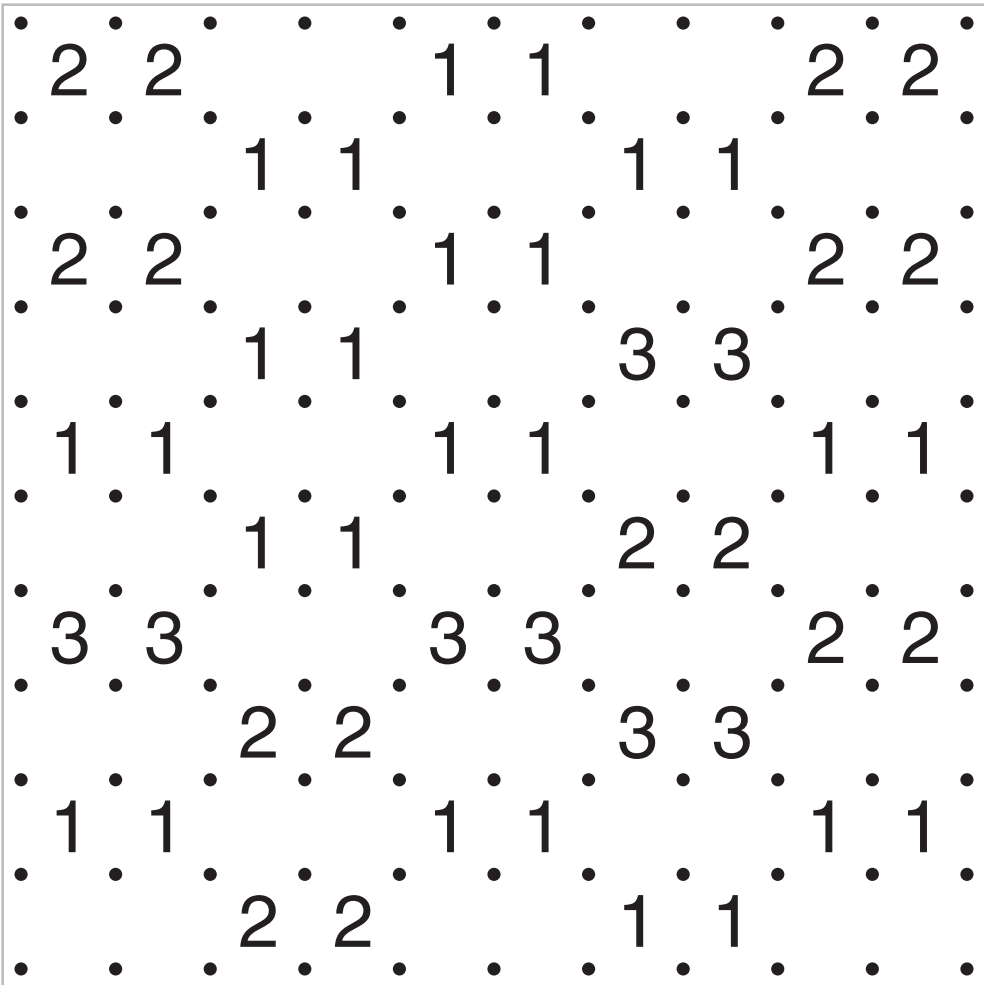

2x2

Slitherlink by Grant Fikes

Antisymmetry

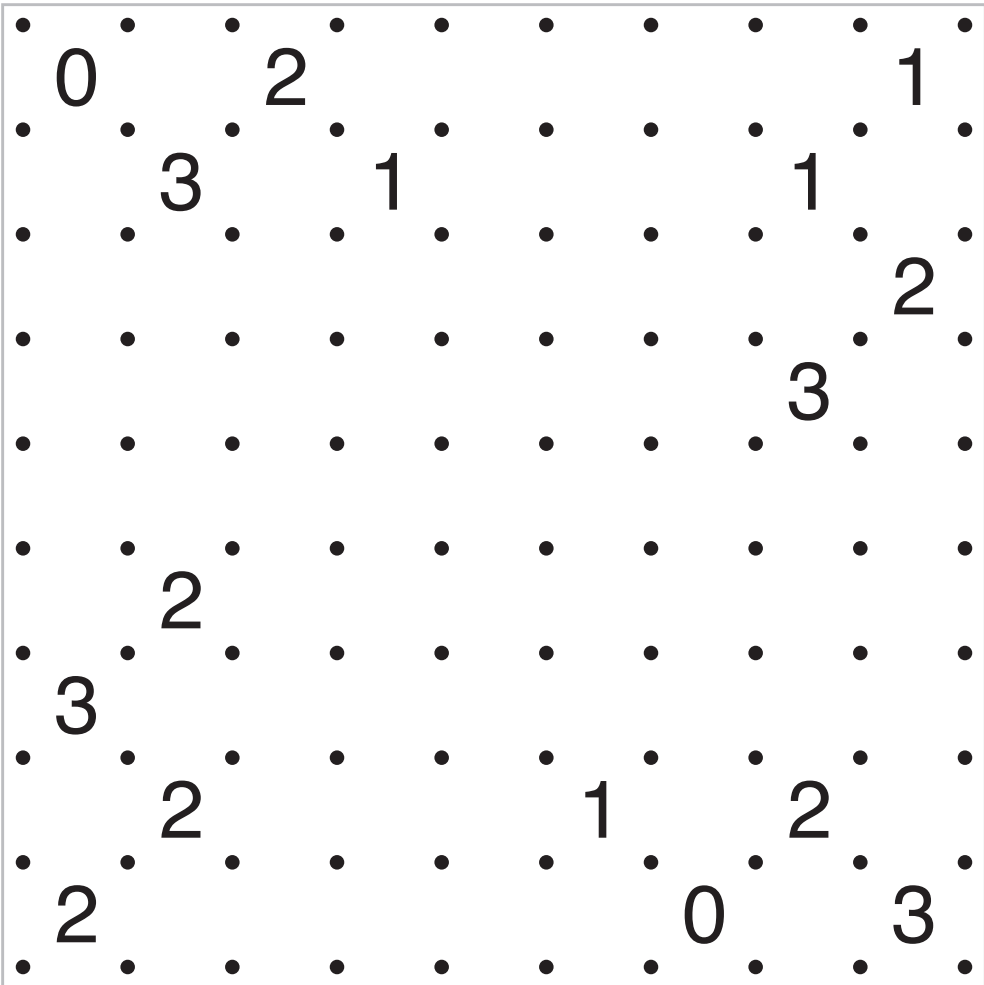

Slitherlink by Eric Fox

Pairs

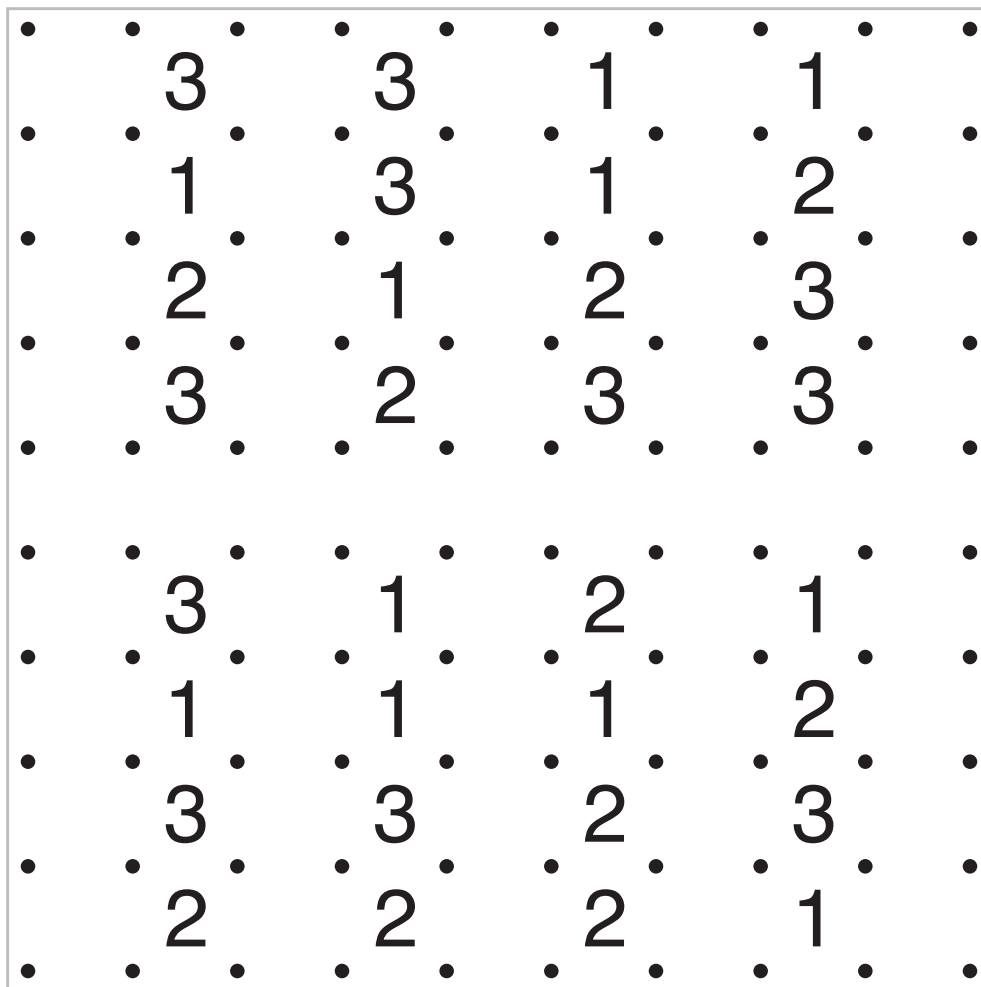

Slitherlink (Unequal Lengths) by Murat Can Tonta

Rules: Standard Slitherlink rules, but any two consecutive line segments cannot have the same length (i.e., on both sides of any turn, the loop must travel different lengths).

Empty Middle

Slitherlink by Michael Tang

Columns

Slitherlink (Liar) by Thomas Snyder

Rules: Variation of Slitherlink. Exactly one clue in each row and column is incorrect and must represent another number.
