Border Clues

Araf (Line) by Serkan Yürekli

Rules: Standard Araf rules. Also, there may not be four consecutive cells that are part of a region in any row or column.

Loop

Araf (Skyscrapers) by John Bulten

Rules: Standard Araf rules. Also, numbers outside the grid show the number of separate region segments visible in that direction. A segment of length N in a given direction is taken as a building of height N. Buildings of height N block the view of all buildings behind them of equal or lesser height.
