

# Rossini Sudoku by Ashish Kumar

Rules: Standard Sudoku rules.

Also, arrows outside the grid indicate if the first three numbers are in ascending or descending order. The arrow points towards the highest number in the series. If no arrows outside the grid are given, the first three numbers can be in neither ascending nor descending order.

Example by Ashish Kumar

			2	9	6			
		8				4		
		1				5		
			9		2			
			3		5			
			1		7			
		4				9		
	2						4	
3								7
