

# A Story of Self-setting Sudoku #4.875

## by Thomas Snyder

Rules: Insert a number from 1 to 9 into each white cell so that no number repeats in any row, column, or bold region.

*Having mastered self-setting, we're starting to dial back the AI publicly so that even beginners can catch up to the awesome power of Dr. Sudoku. In the future, no more unsolvable puzzles until we see signs of intelligence to rival ours. Today, we'll share some assistance from our deep sea radar to show the shallow waters.*

*No more missed promises. We're launching "Full Setting Automation" tomorrow.*

*Red Fish, Blue Fish (4.875 of 5)*
