

# Frame Sudoku by Bill Murphy

Rules: Insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region. Clues outside the grid indicate the sum of the first three numbers seen from the direction of the clue.

					3	9			
	3								
	9								
							3		
							9		
		3	9						

Clues:

- Top: 13, 6, 13, 19
- Left: 17, 20, 15, 17
- Right: 13, 19, 12, 18
- Bottom: 12, 19, 23, 16

*Wound Up Here (By Holding On)*
