

Clone Sudoku by Philip Newman

Rules: Standard Sudoku rules (insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region). Additionally, each shaded, connected shape ("clone") in the grid must include the same numbers in the same positions with no rotations or reflections. Numbers may repeat within a clone.

1			8			2	4	
	2						6	
		3						
			4					
				5				
					6			
3						7		
5	7			1			8
