

Serbian Frame Sudoku by Bill Murphy

Rules: Standard Sudoku rules (insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region). Clues to the left and right of the grid indicate the sum of the values in the second and third cells seen in that direction; these pairs of cells are also marked by white dots. Clues to the top and bottom of the grid indicate the sum of the values in the third and fourth cells seen in that direction; these pairs of cells are also marked by gray dots.
