

Sudoku by Philip Newman

Rules: Insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region.

2		1				3		4
					4		2	
3			7		9			5
	5	4				2		
				3				
		8				6	5	
5			1		3			7
	8		6					
6		7				9		8

That's 3 in the Center
