

Expanded Sudoku by Bill Murphy

Rules: This puzzle contains two overlapping 9x9 classic Sudoku grids that will share the same numbers in the overlapping spaces. Insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region of either Sudoku grid.

	9	8	7		1	2	5			
	7		9	3	2		6			
	5	3					4			
		7					3	8	2	6
	1	4								8
	2								7	9
	3	6	4	1					5	
				2					1	4
				4		8	7	3		1
				5	8	9		1	3	2
