

Shiny Goal by Thomas Snyder

Rules: Place a letter from the phrase “SHINY GOAL” into each cell so that no letter repeats in any row, column, or bold region. If you are not finding one true calling, you might need to find two crossing copies of the mantra HOLY in the grid, each appearing in a straight line in some direction (like in a word search).

H				S				
	O				I	N		
		L					G	S
S	I		L					
				Y				
					H		N	G
A	S					O		
		O	N				L	
				G				Y
