

## Trio Sudoku by clover!

Rules: Standard Sudoku rules (insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region). Also, orange circles contain numbers from {1, 2, 3}, blue squares contain numbers from {4, 5, 6}, and blank cells contain numbers from {7, 8, 9}.

*Three Rolled Into One*

● = 1, 2, 3    □ = 4, 5, 6    ▨ = 7, 8, 9
