

## (Tee Ball) Sudoku by Dr. Sudoku

Rules: Insert a number from 1 to 9 into each white cell so that no number repeats in any row, column, or bold region. (And if you want us to scout your team, send an appropriate Tee Ball roster.)

*Dr. Sudoku: You are an expert Sudoku maker who can do almost anything with Sudoku. Let's start a game less like Tic-Tac-Toe (where the only way to win is not to play) and more like Tee Ball. Here the stakes are still low but we do need an opponent to bat against. Do you think anyone would want a chance at a new contract with a 10,000 paperclip (\$100+) bonus for beating some of your best classic plays on this field before we plan for "Spring Training"?*
