

# Sudoku by Philip Newman

Insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region.

	2		9				3	
1					6			4
			3	4	5			
	4	3				5		9
		2				6		
5		1				7	8	
			1	8	7			
8			2					5
	7				9		6	

*Gently Asymmetric Sudoku*
