

# Sudoku by Thomas Snyder

Insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region.

1								9
							8	
						7		2
					6		9	
				5		6		7
			4		2		5	
		4		3		8		5
	3		5		9		2	
2		7		8		9		3

*One Vs. Many*
