

Windoku by clover!

Standard Sudoku rules (insert a number from 1 to 9 into each cell so that no number repeats in any row, column, or bold region). Also, each of the four 3×3 shaded regions must contain the numbers 1 to 9 without repeats.

		3				7		
	2		6		8			3
1								
	4		5		9		6	
	9		4		3		1	
8								5
			7		2		4	
	1					6
