0-9 Sudoku by clover!

Insert a number from 0 to 9 into each cell so that no number repeats in any row, column, or bold region. Some cells are split by slashes; in these cells, two numbers are to be entered, one on each side of the slash.

0/1		3				9		
			2/3		5			
2		6				4/5		1
	2/3		1				5	
				4/5				
	4				3		6/7	
8		4/5				3		7
			4		6/7			
		0				6		8/9
